

Lastly

I enjoy eating out. ~~Don't~~ Put that  
toll road next to my favorite ~~restaurant~~ <sup>eatery</sup> and they  
will go out of business. • Combine that with  
No Compete Contract (that will make  
local businesses on frontage roads ~~un~~ <sup>in</sup>accessible, inaccessible  
Then you have a death sentence for those  
Local businesses.

These are my concerns,

Thank You  
Lee
