Communities In Schools Texas
Before & After the Bell - Summer

Each CIS program is required to conduct summer enrichment programming – an extension of the school year in June to support summer school and in July to reinforce & prepare students for the upcoming school year.

(Hearing cheering from the students?!)

Ketchup Saturdays

- ***An initiative started in recognition of the fact that student progress can be summarily slowed from 4pm Friday to 8am Monday – when their personal lives become barriers to a successful week at school.***
- ***Allows these students to think outside the box, as well as encourages and shows their parents new ways to engage with their students' academic careers.***
