Message:

Dear Representatives,

I use this term loosely as I don't feel all Texans or people in my district are represented. You are here to serve me and your other constituents. I don't feel you should be in charge of choosing who goes in these crazy shaped districts. They should reflect a sensible representation of the population and not a reflection of what you want. Please put aside your personal agenda and think of all of the Texans who need a voice. I realize not all of you think this way but too many in government do or it wouldn't be so biased.

Thank you for your consideration.

Julie Christ Gurley
