Affirm public info: I agree

Regarding: Senate

Message:

I request that the committee make all effort to ensure rural values are represented in redistricting. I caution you not enjoin rural areas with urban areas to maintain the numerical requirements. The production capabilities of rural areas can become disadvantaged when urban values are imposed on rural constituents. The impact and voice of rural constituents can be 'watered down' or diminished when absorbed by urban districts. Thank you for your thoughtful consideration in redistricting.

Regards

Jerry Tanner

Lavaca County Texas
