Message:

We Texans are diverse in terms of our views and we are all entitled to fair treatment when it comes to redistricting that will occur this year. We all pay taxes and we all play our role in this state.

Please STOP gerrymandering the districts to keep our election results slanted. Just play fair. If your ideas are better, Texans are smart enough to see it and vote for you. Otherwise, you need to appeal to us with ideas - and not by cheating. It has become a national embarrassment to be from Texas and that is not how it should be.

Our GOP Leadership needs to PLAY FAIR. No district should have more than 5 borders. Let's give power to ALL texans - not just the ones that you think will vote for you. That means both sides of the aisle need to care about integrity. Please try. Your grandkids will thank you someday for not killing our democracy.
