Message:

Popular sovereignty is based on the idea that the people pick their representatives.

Unfortunately, since redistricting following the 2000 Census, the city of Austin has been divided by politicians who are picking their constituents.

I live in TX10 and it is un-American that I should have a representative who refuses to meet with voters in Austin. He refuses to do anything to address our needs. My father is an Army veteran receiving sub-standard care at the VA clinic here, and McCaul refuses to even listen to us, because he doesn't have to because y'all keep using crayons to draw ridiculously gerrymandered districts.

Y'all should just be embarrassed Republicans can't stand up in a fair fight. Bunch of 10-gallon- hat wearing cow pokes.
