**Message:**

Whatever you do, please make sure that Mineola does not end up in Gohmert's district. This happened to me last time in South Carolina, when they moved the line and I ended up being represented by an idiot. Lance Gooden may not be the best, but he is smart enough to know that the U.S. Forest Service cannot solve global warming by changing the orbit of the earth. I want a representative that actually reads bills, rather than just vote no on everything so he can keep his conservative ratings high.
