Message:

I don't think it makes sense to carve Denton County up. We aren't similar enough to the other cities you're carving us up with. It wouldn't be a fair representation for our county which has very little in common with these bigger cities (Amarillo, Wichita Falls, etc.) Burgess already doesn't listen to our town's interests. We don't want someone else that has even less connection to our town. Please, rethink this proposal to better represent the Texan's interests.
