Message:

I just looked at the very obviously gerrymandered map of the suggested new district boundaries.

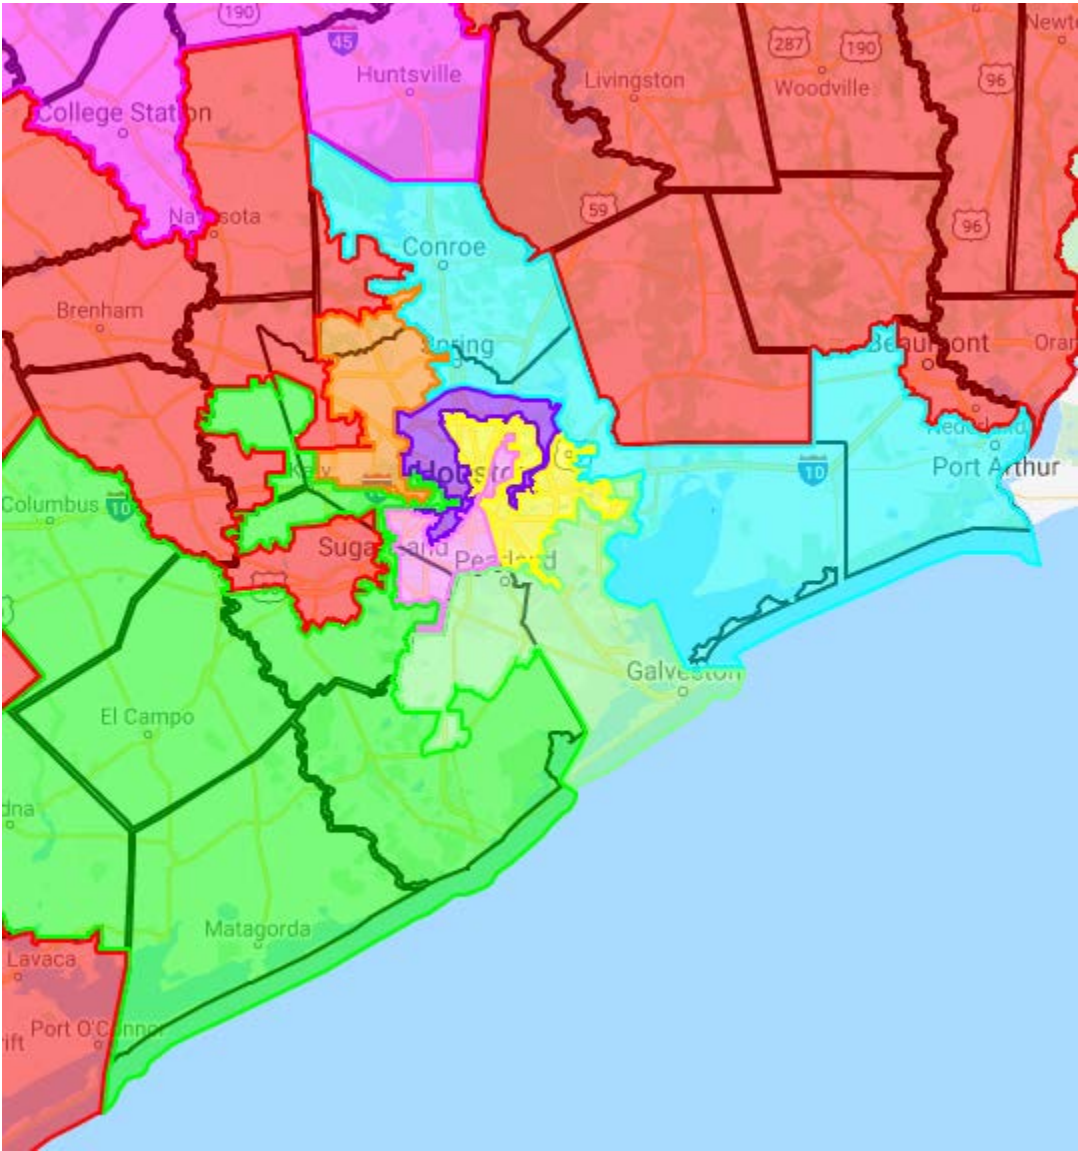

Do you want federal oversight for the drawing of Texas districts?

Just stop cheating and make the boundaries clean and not so obviously skewed to favor one party over the other.

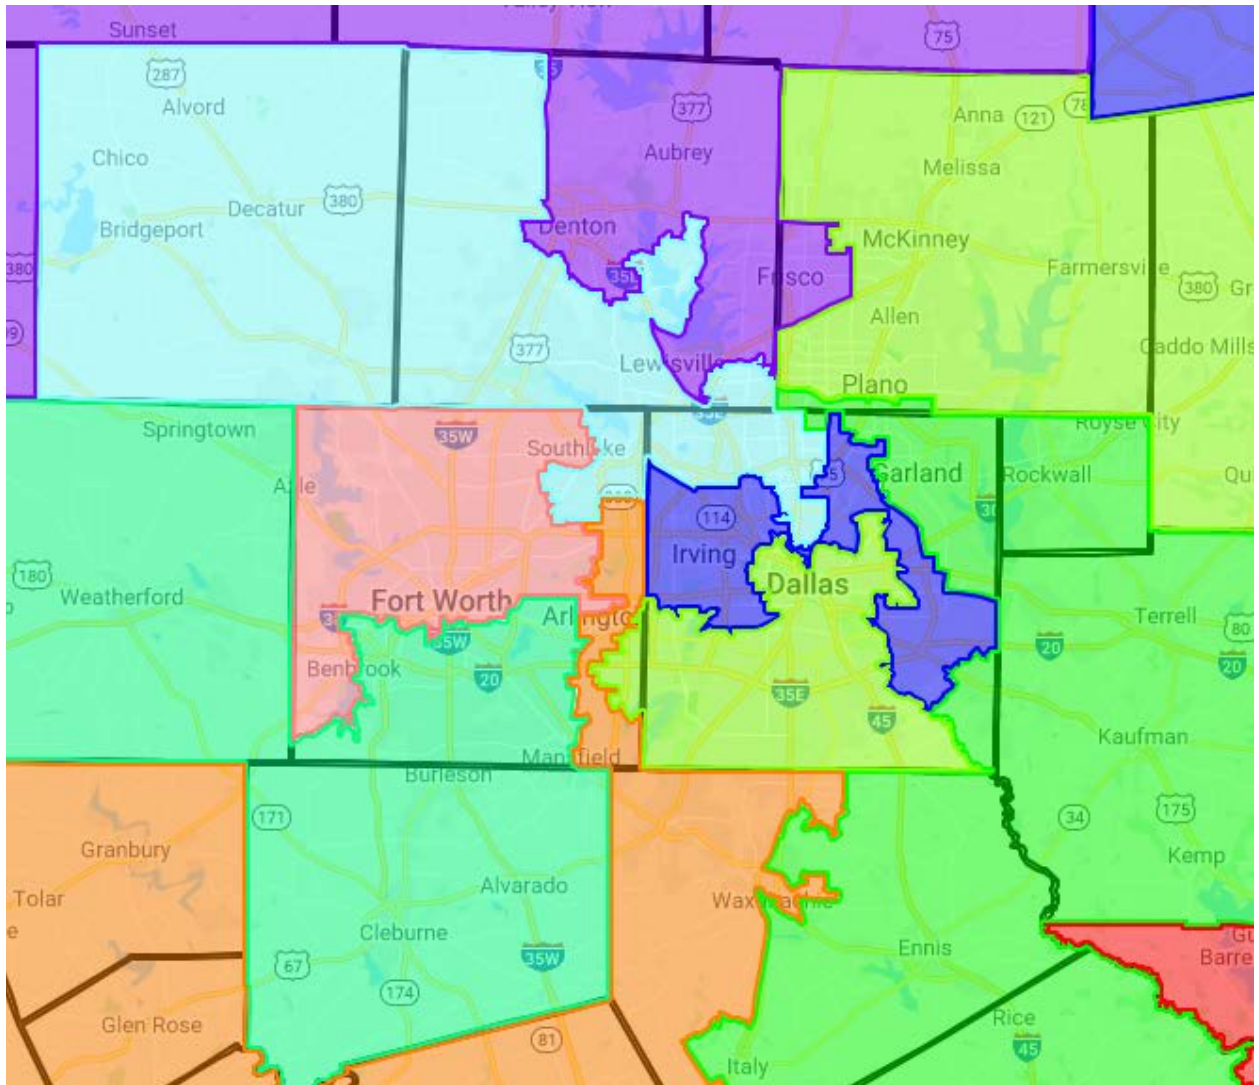

All you are doing with this gerrymandering is angering those of us who are moderates and tired of the dishonest politicians playing games to stay in power and rip off the public more.

[REDACTED]

Houston area ridiculously obvious gerrymandering

Dallas/Fort Worth obvious gerrymandering

Austin/San Antonio Gerrymandering
