Message:

I looked at the map and see my beautiful Colorado County attached to River Oaks in Houston. I grew up in River Oaks. There is no way that a person can properly represent the two area. Colorado County is rural, church is the main social gathering and that is not so in the Houston, River Oaks area.

Sen. Kolkhorst has been an excellent state senator for Colorado County. She understands our hunting, our way of life. Please do NOT remove my beautiful county from her district.
