Message:
Greetings.

I appreciate the opportunity to submit this written testimony regarding SB 4, relating to the composition of districts for the election of members of the Texas Senate. This area includes my hometown. Many of my relatives and friends reside in the district. The proposed map is not fair or equitable for Minority voters. I am in opposition to Senate Bill 4 and the proposed drawing of Senate District 10 which dilutes the people of color's votes. The US Supreme Court has previously explained that the destruction of a functioning crossover District is a violation of the US Constitution. In 2012 a federal court ruled specifically on Senate District 10 and the discriminatory enactment of the 2011 Senate Map.

I demand that this committee keep the current boundaries of Senate District 10.

Sincerely,

Lanetta Ross
Proud resident of Texas
