Message:

Seriously? A 5th grader could do better. I just saw a proposed version for SD 12. What possible rationale (besides the blatantly un-democratic one of orchestrating election outcomes) do you have for plucking the towns of University Park and Highland Park out of Dallas and lumping us in with Wise County? Please do better, show some real patriotism, and put democracy above you and your party's power grab.

Thank you,
Laura Haag
