Dear Redistricting Committee Members:

I am a resident and business owner currently in Distric 16. In looking at your redistricting proposal, it appears that this district would be lumped in with South Denton county and Wise County. These are more rural areas. Our district is urban. We live in and pay taxes in Dallas County. Our needs are very different than those of more rural populations. This change would mean that we would be represented by those outside our county, who are not familiar with our issues. This proposal would severely limit our ability to bring our specific issues to the Texas Legislature.

This proposal marginalizes those of us who live and work in this district. I am vehemently opposed to this re districting proposal as it relates to District 16.

Thank you for your time and attention.

Regards
