Affirm public info: I agree

Regarding: Senate

Message:

I have been very active supporting Republican causes in our county and country. We are a well organized group of folks that work together very well. Destroying our cohesive organization by separating our district is very detrimental to our work to further Republican causes. We have common goals and interests in this community and are opposed to breaking it up

Please reconsider this proposal to split us up and don't mess up a good thing by destroying our group

Thank you

Priscilla White
