Message:

Senator Lois Kolkhorst has wonderfully served the residents of Fulshear and continues to be our voice in Austin. The Senator has carried a number of Bills on behalf of the City and our residents. As Fulshear and the surrounding communities continue to grow it is vital that we have Senator that understands Fulshear residents needs and who is active in the area.

Having Senator Kolkhorst and her staff office just a few miles away is a tremendous asset. Her office here allows her and her staff to attend events in the area and stay in constant communication with both local elected officials and constituents.

I ask that during the 2021 Texas Legislature redistricting process do not change the current boundaries.
