Message:

Senators,

It is incredibly important that diverse people are elected/represented in your body. The new census gave us two new districts because of the increase of the brown and black population. Under your plan they have even less representation than over the past 10 years. This is more voter suppression. Correct this redistricting problem. Your partisan ways are unequal, unfair and are drawn to keep you in power. This is not democracy. Fix this now by adding 2 minority districts to the current districts. Scrap this preliminary map.
