Message:

NO! We moved our family from Harris to Montgomery last year to escape liberal politicians and liberal ideals, now we may be a part of that again? Just finding out about this, we are opposed to this, what do we do to fight it? What is the impact on our community if this happens? We have heard nothing about this until recently, and this seems to be a theme across our community.

Already - no voice? Our voice will go mute if this happens, back to liberal "values" of the big city. Please reply as soon as you're able.

Thank you.
