Message:

I live in the county of Montgomery, South of 1488 and I'm not okay being lumped with a Harris County Senator. My tax dollars go to Montgomery County and I should not have to be handed off to someone who doesn't truly represent me. I feel that by cutting my area off from my other town members would be a horrible thing to happen. We should be represented by someone who lives in Montgomery and not Harris County, my hope is that whomever reads this treats my area respectfully as we are the ones who vote you all to office we are not mindless fodder to be divided up like we are nothing.
