Message:

If you know anything about Texas, you know that rural Texas is nothing like city Texas. Why in the world would you even consider lumping Colorado County which is rural with RiverOaks in the Houston area? This is truly a mind boggler. The residents in Colorado County have been represented by Lois Kolkhorst for a long time. We have zero desire or need to change our district and be represented by someone who does not understand our needs and desires. As a citizen, I am expressly requesting that this does not happen. Leave Colorado County alone.
Respectfully submitted,
Vikie Lewis
