Message:

I'm a resident of Fort Bend County and upset about a comment that Judge K P George was quoted as writing in a letter to you. He wants Fort Bend County to be counted as one district and not be divided as it is now. I oppose his thinking and comments saying he didn't want the larger (liberal) area not to be diluted by the rural communities. I feel like he's really putting down the rural conservatives like me. I pray that you and your colleagues will do the right thing for Texas.
