Message:

I urge you to revise the Texas redistricting map c2101 so that my Wells Branch community is not divided into 2 different districts. Keeping communities intact is one of the criteria of a rational and just redistricting plan. Wells Branch is a long-standing and active community whose interests will not be served well by splitting it into two districts. Please reconsider the proposed c2101 redistricting plan and keep our neighborhood whole. Thank you for your attention.

Sincerely,
Judith Reynolds
