Message:

Dear Senate Special Committee,

I am solely in disagreement with the lawmakers redistricting to benefit one particular party. What are you afraid of if you have to manipulate the lines to make sure you are in control? My prayer continues to be that God will raise up Godly leaders who hear his voice and the voice of a stranger they will not follow. Leaders who will be led by the spirit of God and not be their flesh. Men and women who seek the face of God and pray. Men and women of integrity who stand up for what is right and do not call right wrong and wrong right. A nation under God indivisible with liberty and justice for all. I do not believe this excludes Texas. Come on lawmakers, do the right thing! Those of you who love God, are led by him, listen to him, and live and abide in his family follow his direction.

Thank you.

Dr. Pamela Gunter
