Regarding: House

Message:

The suggested Williamson County house districts appear to be short-sighted in what appears to be a goal of ousting Rep. Talarico from HD-52. Taking bluer precincts from Cedar Park and Georgetown into HD-20 could backfire by the end of the decade and result in all three districts being held by Democrats if trends hold. We're a diverse county and one of the true purple spots on the map. As such, I have put together a 1-1-1 map. 136-D, 20-R, 52-Competitive. 52 should be a toss up for at least another 2 or 3 elections. 20 and 136 should hold for each party through the decade.
