Message:
Good morning,

My name is Paul Guidry, I am the DeWitt County Republican Party Chairman. We are in CD34. My positions prior to chairman, were Precinct Chairman, Election Judge and Vice Chairman of the DeWitt County Republican Party. I'm stating the positions to show my heavy involvement in the political matters of my county.

DeWitt County has been without any true representation, from our Congressman, since 2008, when we moved here. Also, to my knowledge, our current Congressman has only visited our county one time since 2014.

DeWitt County is located in the South Central area of Texas. Cameron and Hidalgo Counties are more than a 4.5 hour drive to the south and our political ideologies are miles apart. That said, our priorities are never addressed.

I'm asking the committee to group DeWitt County with counties with similar values, to our own. We, also would ask that we be placed in the same CD as our sister counties, Lavaca and Victoria, with whom we share common borders and our great State Senator Lois Kolkhorst.

Lastly, we in DeWitt County have no voice in the United States Congress!

Thank you,
Paul Guidry
