Message:
Distinguished Senate Committee,

The recommendation is that Rockwall County not be redistricted with counties that do not share our community values. The values that we hold dear are Judeo-Christian, respect for the unborn, patriotism, fiscal responsibility, and equal opportunity for all.

Our children grew up in the Rockwall County school system. They participated in school sports and were successful academically. They also participated in every 4th of July parade. Our community shares a support for the strength of the nuclear family with a small town feel in an ever-growing community. People who move into Rockwall seek the spirit that is the core of good neighbor atmosphere.

We urge you to keep Rockwall County's precincts within our own county so that we continue to attract many great businesses and residents looking for the values we share. Rockwall County share values with counties in East Texas. We wish to remain in a district with counties in East Texas that share our core values. Rockwall should remain in the Congressional District 4 which is where Rockwall County has always been.

Please legislators keep Rockwall County with East Texas counties.

Edna Sullivan
