Regarding: Senate

Message:

Gerrymandering is dividing areas into voting districts so as to give unfair advantage to a certain candidate or candidates in an election or elections. The best way to avoid gerrymandering is to make voting districts as square as possible and as equal in size as possible. Gerrymandering is evil and anti-democratic. It is legalized, although immoral, cheating. If you want the United States to be the greatest nation on Earth, make it the most fair nation on Earth. ALWAYS VOTE AGAINST GERRYMANDERING!
