Community Needs and Concerns

Our community is a diverse community made up of people living in single family dwelling units (anywhere from \$100,000 homes to \$400,000 homes) as well as multi-family apartments. Our shared community centers around a beautiful park in south Fort Worth. People from all walks of life live in our community, and there are a multitude of different needs. But perhaps among the most notable are reliable transportation and affordable housing.
