Message:

I stay on the Southside of Houston off of Cullen Blvd before the Beltway 8 and half of the lanes are all missed up yes ae are out of the city limits but one side of Cullen Blvd is with the city Houston where they have city of Houston water and Houston Police Department as well as city of Houston trash which the subdivision is Alutumn Glenn Subdivison while I stay on the other side of Cullen and we are not with the city of Houston these lanes are very much overdo for upgrading as well as putting before subdivisions with the city of Houston and not just one street than you have some areas that are out of the city limits but have bus transportation which our area does not these lines need to be redrawn fairly and efficiently.
