Message:

I am writing as a resident of Hays County, one of the fastest growing counties in the state and nation to ask that the redistricting map(s) you consider be fair such that the citizens of Hays County be kept in their communities of interest and not divided in ways that separate them from these communities. The Hispanic population of Hays County has grown significantly and those geographical areas containing the Hispanic growth should be kept together as much as possible to honor the Voting Rights Act.

Thank you,  
Diann McCabe
