Affirm public info: I agree

Regarding: Senate

Message:

The Map of the proposed district 17 for the Texas Senate appears to include an extremely small portion of Houston and areas north. One has to ask the rationale for such action, most of area 17 deals with rural constituents, what on earth to people living in highly dense urban areas have in common with or even appreciate the problems their rural neighbors face? Appears to be just another attempt to reduce the strength of the rural vote.
