Message:

It has come to my attention that Senator Joan Huffman is attempting to pull Colorado, Wharton, Matagorda, and Lavaca counties out of our current district and move us into one that includes inner city Houston, River Oaks and other extremely urban communities that have absolutely nothing in common with our counties. I live in Lavaca County, a very rural farming and ranching county. It is absolutely ludicrous to try and put us in with inner city counties. Our interests and their interests are complete, polar opposites.

Senator Kolkhorst has represented us and our interests well. Please don't lump us in with inner city areas.

Jordan Sluka
