First very disappointed this wasn't made more public.
Second and most importantly we moved out of horrible harris county to Montgomery county cuz Montgomery county is amazing we love it we love thing about it and to split up this amazing county to to some go with harris is unacceptable. This is crazy thought and only political to split up such a great string county. I bet you please don't don't make us be forced to sell out if this amazing community if it becomes harris county. This is so stupid. If I had time and knew more about this we'd be hiring a team of lawyers to fight this every step of the way
