Message:

Dear Redistricting Committee,

It's my understanding that this week you will be redistricting congressional districts. As a resident of Montgomery County, I am requesting that this county NOT be lumped in with Harris County. While Montgomery County is rich in diversity, the boundaries of the county represent a cohesive community that share common cultural, economic and social concerns. These shared interests and concerns formulate a sense of camaraderie and community in the midst of diversity. I am concerned that redistricting outside of county boundaries will adversely affect our community. I AM ASKING YOU TO VOTE 'NO' TO LUMPING MONTGOMERY WITH HARRIS COUNTY.

Thank you for your consideration. I appreciate your representation and work on behalf of your constituents.
