Message:

The proposed redrawing of Senate District 16 is ridiculous. What do constituents living in Dallas have in common with constituents living in Wise County. Our counties are not even adjacent! The concerns of an urban district do not align with the needs of a rural district. I want my senator to represent the needs of this area, just like the people living in a rural area would want that for themselves. The redrawing of Senate District 16 is the poster child for the evils of gerrymandering. Stop it.
