Affirm public info: I agree

Regarding: Senate

Message:

After review of the proposed senate re-districting I must comment that I am **OPPOSED** to the proposed changes. Senate districts should be determined by shared geography, logistics, economic concerns, school districts, utility services, etc. It is obvious that the districts have been drawn to ensure political success of the incumbent party at the state level. This is **NOT** democracy but cronyism. Stop this travesty - for the sake of all Texans.
