Message:

I am very concerned with the prospect of redistricting of SD24. Burnet county comes to almost the city limits of Lampasas, so many of the residents, while in Burnet county participate and are a part of Lampasas activities. Many of their children go to school at Lampasas schools. While we are split by name, we carry many of the same concerns and are cut of one cloth. I believe that splitting the two would cause undue stress on both communities. Please consider keeping the two counties together. I believe it would better serve the citizens in both communities.
