Regarding: Senate

Message:

The proposed map for Senate District 16 is not for the good of all who live in this Senate district.

I live in Dallas County, and I pay taxes in Dallas and Dallas County. My state senator should also live where I live, in this urban section of a large urban city, not in a distant rural town. (Cities in Wise County are about 60 miles from North Dallas.) We have very little in common with Wise county residents; issues differ radically. I doubt that the Wise County residents would appreciate it either.

It is obvious that there are those besides the District 16 citizens who will benefit from this so-called 'redistricting'. The fact that this has not been widely publicized implies that the committee does not want nor SEEK the input of the citizens.
