Message:

My North Dallas neighbors and I are appalled that the Texas Republicans want to put us in SD 12 with ALL of Wise County and the rural, western half of Denton County. While we are certain that the people in Wise County and Denton County are nice folks, we are also certain that our interests and priorities are not the same.

We pay taxes in Dallas County and to the City of Dallas. The Dallas Police provide for our safety. We send our kids to Dallas schools. Our homes are served by the Dallas Water and Sanitation Department.

We need representation in the Texas Legislature from someone who lives in DALLAS.
