Message:

I have heard that District 16 is under consideration for being redrawn under the 2021 Texas Redistricting process. It is shameful and outrageous for District 16 to be merged and be part of Wise and western Denton counties. District 16 is urban and suburban and has very little in common with rural areas of Wise and Denton counties.

This is blatant gerrymandering, guaranteed to alienate more Republican/Independent leaning voters. Please leave state senate district 16 boundaries alone.
