Message:

We moved to Montgomery county to escape the tyranny of Harris county. They have higher tax rates, insane laws that they push on the community, and my family along with my area will not be pleased if this happens. Harris county is BIG and there is no reason they should try and take over a small county, we live over an hour from Houston. Please consider dismissing this as it will do nothing but damage the county.

Thank you,
Shara Tietz
