Affirm public info: I agree

Regarding: Senate

Message:

Please do not draw district lines that split communities! The current proposal would lump my small community in with people on the other side of I-10 in Houston. I live north of Tomball in Montgomery county. How in the world would I feel represented by a someone who has to try to represent such ridiculously different views, needs, etc.? It would be like lumping me in with the voters if California or New York. Common sense! Please!
