Message:

Concerning the Redistricting off Montgomery county/Lake Conroe: Lake Conroe is a Community of Common Interest, and we are almost entirely in Precinct 1, of Montgomery County. I don't believe our Community interests would be well represented by splitting and dividing our area. Senator Robert Nichols has been a great ally to Lake Conroe Community by becoming informed and involved in various community interests, I.e. school districts, local land concerns with farmers and ranchers, small businesses our infrastructure, and our water resources. We believe our best interests are served by Senator Nichols in District 3. The diverse interests of the Lake Community and The Woodlands have been well represented by having two Senators, Nichols and Creighton. That said, the second best Redistricting option is putting all of Montgomery county in District 4.
