Regarding: Senate

Message:

The rush to get redistricting shoved through on another money wasting special session is unacceptable. There needs to be a third party redistricting done, as I see some suspicious shifts of the Democratic northern suburbs around Austin getting throw into a republican held district that runs all the way to San Antonio. You people have no right to pick your voters and force us even further into your minority control.

Third party independent redistricting commission is necessary now!
