Message:

As the Lampasas County Republican Party Chair I am extremely dismayed at the prospect of our current SD 24 lines being convoluted. Burnet County and the Highland Lakes area is a community of interest that works together in times of crisis-they should under no circumstances be divided. Lampasas County works hand in glove with Burnet County and to have them divided is devastating to all we've been able to accomplish together. We work with their entire County, not just parts of it. They and their community are much stronger and healthier intact. It completely disrupts our current SD24 community. In dividing Burnet County, it calls into question motivations and judgment.

I ask you to reconsider your plans to divide Burnet County and keep their county together as one active community.

Respectfully,

Wendy Daugherty  
Lampasas County Republican Party
