Phone: [REDACTED]

Affirm public info: I agree

Regarding: Senate

Message:

While up till now I haven't been actively involved in redistricting efforts, I have been following them and was appalled when I saw the proposed maps. They are a clear example of the kind of gerrymandering that is designed to skew the voices of Texas citizens in favor of Republican representation. Please take a second look and come up with fairer maps that keep communities of interest together rather than dividing them in ways that dilute their voices.
