Regarding: Senate

Message:

I support both PLANH2101 and PLANC2101 proposed district maps. I live in a rural county (Blanco) and these maps would enable me to have a voice that is heard by my Texas State representative and my U.S. Representative. When Blanco County is an appendage to an urban county, as we are now, Blanco County residents are basically ignored by our representatives. The proposed changes as presented in these maps allows us to associate with similar counties and be heard and represented.

Thank you for these proposed redistricting changes.

Ralph Mertesdorf
Blanco County resident
