Message:

I'm Lucy Frost, from Manchaca, TX. I'm a member of Texas Blue Action Democrats and Mothers Against Greg Abbott, whose combined membership is more than 62,000 Texans. As a native Texan, the Texas I know and love has strong people who honor the winner of a fair fight. What we don't honor is gerrymandering, because that doesn't make for a fair fight within a community of interest. When I see how our major cities are divided for Texas Senate and other districts, I see they often don't make for neighbors reaching across political divides to understand each other and come up with solutions that work for the common good. West Austin & Hays county, for ex. So I'm asking you to do the right thing: Draw fair maps using a fair and transparent process. We Texans are a free and fair people. We deserve free and fair Texas Senate districts.
