Message:

The previous session rushed the redistricting process and failed to heed the voters in a need to represent people of similar circumstances. There is no way that a resident of Williamson county who lives in round rock is adequately represented by rural interests. We compose a majority of the county and are lumped with other counties of dissimilar interests for state rep, state Senate and us rep. The courts will most likely find this 2020 redistricting inaccurate in representing the people. Fix it now.
